Influencing factors driving in-person attendance of sporting events

Reasons for attending sporting events in person

NFI SA Kaizer Chiefs Fans

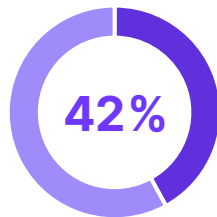

Players are the reason more than half of NFI SA Kaizer Chiefs fans choose to attend sporting events in person, *albeit at lower levels than indicated by NFI SA football fans*. Favourite players, the best players being on the field, being on show, is a crucial element of a rights holders offering. *More importantly for Kaizer Chiefs fans is that rights holders enable and enhance the experience of camaraderie amongst passionate fans*. They indicate *notably higher levels of agreement with this as the reason they attend sporting events in person*. Reasons they show lower levels of attendance impact for, comparatively, is because so many people talk about the event, they wanted to experience it, in person “live”, and to a lesser extent for the possibility of winning a prize (in stadium competitions, sponsor activations)
